Kick off meeting

Micro e-learning

Meeting in Kaunas, Lithuania

Representatives of three partner organizations from Lithuania and the Czech Republic met in Kaunas, in September 2022, to plan the realization of one year long project. The detailed timeline with tasks and responsibilities were the main outputs of the meeting.

Micro e-learning course development

Partners have started developing of the micro e-learning course using the free available tool edapp. The lessons are about Basics of web design and programming. In January 2023 the English version will be available.
